

SUMMER SNEAK PEEK SCAVENGER HUNT

THE WORLD AROUND YOU IS FULL OF HIDDEN POSSIBILITIES—YOU JUST HAVE TO SPOT THEM!

That ordinary object you pass every day? It might be the secret ingredient to something AMAZING.

YOUR MISSION *(if you choose to accept it)*

Turn into a creative explorer and search your home for small objects. Then, transform your discoveries into the ultimate summer masterpiece!

Anything can become art—a button, a leaf, a paper clip...what will YOU create?

Get ready to hunt! Keep your eyes sharp and your imagination even sharper. Here are some things you might discover along the way:

- Something green
- A flower (real or fake/drawn)
- A bug or insect (real, toy, or picture)
- A leaf (or something shaped like one)
- A rock or something that feels like one
- Something that reminds you of the sun
- Something blue
- Something that keeps you cool
- Something you wear in summer
- Something that makes noise
- Something you can open and close
- Something you've never noticed before
- Something tiny
- Something shiny
- Something that makes you happy

NEXT STEP

Use your objects to create a work of art. It could be a picture that forms a shape, a diorama of a summery scene, or a sculpture of something wacky! Use your imagination and let your creativity fly!
